# Client on Mobile- How to drive

The screenshot shows a mobile application interface for 'Sales Mobicule'. At the top, there is a red circular icon with a white 'm' and the text 'Sales Mobicule' next to it. Below this, there is a search bar with a magnifying glass icon and the text '(12) abc'. The main heading is 'Sign In'. Below the heading, there is a label 'Mobile Number:' followed by the number '919820616161'. Below the number is a password field with the label 'Password:' and three asterisks '\*\*\*'. At the bottom of the form, there is a small red circular icon and the text 'powered by Mobicule'. Below the form, there are two buttons: 'Options' and 'Close'.

**Enter your mobile number  
(with country code) and  
password**

# Connecting to server

# Menu

**MAIN MENU**

# Synchronize data with master server

**Sync Master to store your product and customer master on the phone**

# Application database update from server after synchronize

**Confirmation of Phone DB  
successfully updated**

# Create New Order

**To create order Select  
"Create Order option"**

# Find Existing Customer

The screenshot shows a mobile application interface with a blue header. On the left, there is a vertical menu with icons for Home, Add, and Search. The main content area has a title "Sales Mobicule" and a sub-title "Enter Customer Information". Below this, there is a "Search:" label followed by the letter "S". A "Customer Name:" label is followed by a purple highlighted box containing the text "SACHIN ENTERPRISES". Below the search results, it says "powered by Mobicule". At the bottom, there are two buttons: "Options" and "Back".

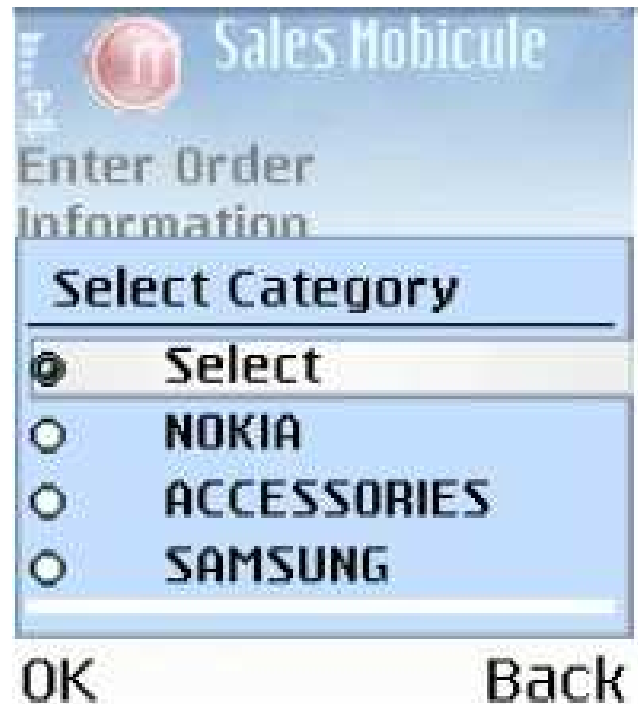

**Enter first few characters of customer and select customer name**

# Next

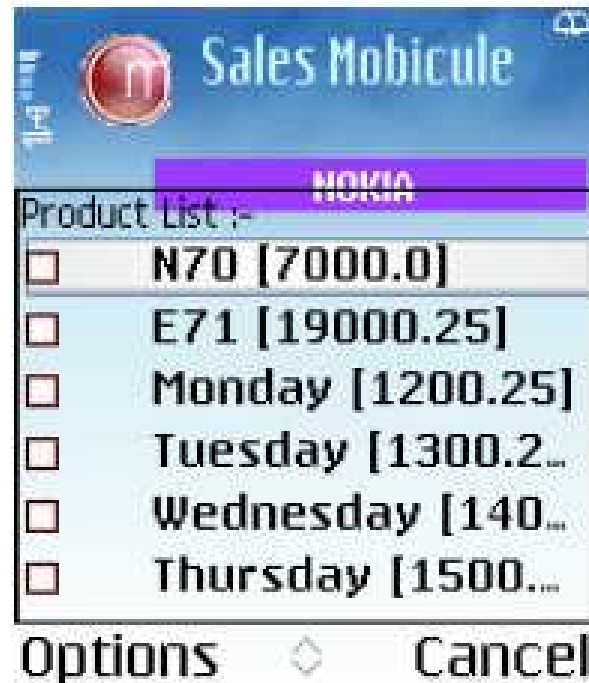

**After selecting customer  
click on next.**

# Select Product

**On product selection screen  
select the product category.**

# Select Product from existing list

**Products for the selected category will be automatically visible. Select the products for the order**

# Select Quantity & Discount

The screenshot shows a mobile application interface with a blue header. The header contains a red circular icon with a white 'm', the word 'NEW' in white, and '(19)' below it. On the right side of the header, there is a signal strength indicator and the number '123'. Below the header, there is a list of items. The first item is 'E71' with a quantity of '5' entered in a white input field. The second item is 'Payout-E71' with a quantity of '0' entered. The third item is 'Monday' with a quantity of '6' entered. Below the list, there are two buttons: 'Options' with a diamond icon and 'Back'.

**Enter quantity and discount information for the selected products. Repeat process for other categories.**
